

# Your Dental Benefits Simplified & Built for You

Regular dental visits keep more than your smile healthy—they support your overall wellness, too. That’s why EMI Health makes it easy to use your dental benefits, understand what’s covered, and find care that fits your life.

## Here’s How Your EMI Dental Plan Works for You

- ✓ Preventive care is covered 100% when you visit an in-network provider.
- ✓ You can get two preventive visits each year—including cleanings, exams, and x-rays.
- ✓ In-network providers help you save money and avoid surprise costs.
- ✓ Our online tools make it easy to understand your plan and search for providers in seconds.

### Find In-Network Providers

Use our online tool to search for providers & locations:

1. Visit: [emihealth.com/ProviderSearch](https://emihealth.com/ProviderSearch)
2. Select Dental, and choose network when prompted.

### Explore Your Coverage - Scan the QR code to:

- Learn what your dental plan includes
- Read your benefits summary
- Look up in-network dentists near you
- Get tips for making the most of your coverage

**Start strong. Stay covered. Smile more.**

## EMI Health Dental Networks at a Glance

### Premier Network

- Over 4,000 providers statewide
- Includes specialists and pediatric dentists

### Advantage Network

- More than 3,000 providers across Utah

### Out-of-State Coverage

- Access the Aetna Dental Administrators network
- Over 445,000 participating dental professionals nationwide

**To get the most from your coverage, always choose an in-network provider.**

If you ever need help understanding your benefits, we’re here for you.
