

Care Across Utah

With EMI Health Care Plus, members have access to Intermountain-owned facilities and InstaCare locations, as well as other contracted hospitals and facilities across the state.

Get care close to home, work, or anywhere in Utah.

Find in-network care

1. Go to emihealth.com and navigate to **Find a Provider**.
2. **Search a facility** or provider prior to care.
3. Once you've entered your information, **click search**.

List of in-network hospitals and InstaCare facilities

Facility participation and information can change. Use the Provider Search tool to confirm a location is in-network before your visit, or call customer service at 1-800-662-5851.
