Your EMI Health vision plan gives you access to VSP providers, convenient retail locations, and savings on frames and contacts. Start with your EMI Health account to see your plan details and find care near you.

Use your benefit in three easy steps:

1. Log in to your **My EMI Health Account**
Don't have an account? Go to emihealth.com/account and click register account.
2. **In your dashboard**, locate your vision plan and click **Find a Provider** to find a VSP doctor or retail location near you.
3. At your appointment bring your EMI Health member ID card and let the provider know you have VSP.

Check your plan before you go

Coverage varies by plan. Some plans include an eye exam. Others cover eyewear only. Log in to your EMI Health account or review your plan summary to see what's covered.
