## ABOUT EMI HEALTH

---

### Partner with EMI Health in Texas

EMI Health has been serving Texas for years with individual dental coverage and group medical options through our level-funded private exchanges. We're here to help you deliver affordable, high-quality benefits to your clients.

#### Why work with EMI Health?

- Preventive Coverage on Day 1: No waiting periods on preventive dental services and clear and transparent waiting for all other services. Credible coverage can be applied.\*
- Range of options: Preventive-only plans for budget-sensitive clients plus more comprehensive plans that cover major services.
- Affordable access: Competitive premiums designed to fit Texas families, individuals, and small businesses.
- Easy enrollment: Streamlined process through our broker portal and consumer-friendly applications.
- Network strength: Dentemax dentists available across Texas, giving members access to care where they live and work.
- Dedicated support: A responsive service team for both brokers and members — including bilingual support — to help with everything from enrollment to billing.
- Stable carrier partner: EMI Health has decades of financial stability, making us a reliable choice in a crowded market.

#### Get Appointed

Register and start offering EMI Health coverage today: [emihealth.com/Appointments/Agencies/Search](https://emihealth.com/Appointments/Agencies/Search)

*\*All or part of a waiting period may be satisfied for members covered on an EMI Individual Dental plan as long as the prior coverage is without a significant break in coverage of 90 consecutive days or more.*

Founded in 1935 and headquartered in Utah, EMI Health has built a trusted reputation for delivering reliable healthcare coverage.

- Our extensive provider network includes both our own network and a partnership with DenteMax, ensuring you have access to a wide selection of dental professionals nationwide.
- Additionally, we provide the options to purchase vision coverage and telemedicine services, offering flexible and comprehensive solutions tailored to meet your healthcare needs.
