

Getting started with EMI Health

Simple steps to help you start strong.

Register your account today!

When you register your account, you'll have access to your member dashboard, plan information, claims, added benefits and more!

1. Go to emihealth.com/account
2. Click **Register Account**
3. Choose **Member** and follow the step-by-step instructions.

Note: You will need your Member ID card to register your account. Learn more below.

How to find a provider:

1. Go to emihealth.com and navigate to **Find a Provider**.
2. Choose one:
 - › **Search as a member**
As a member, your network, city, zipcode will automatically display on the search.
 - › **Search as a guest**
You will need to manually enter your network, city, and zipcode.
3. Once you've entered your information, click search.

Watch for your Member ID card.

After you enroll, your EMI Health **Member ID card** will **arrive in the mail**. It includes your member ID number, plan name, and network—everything you need to access care and set up your online account.

One card covers your whole family. Once it arrives, go to emihealth.com/account, click Register, and use your card to log in, view benefits, find providers, and manage your coverage.
