- All participating physicians are good standing members with the National College of Physicians.
- Specialists must be "Board Certified" and comply with other requirements.
- Clinics and Hospitals must belong to the National Hospital Association.

### ACCESSIBLE

- Over 250 physicians along the U.S.-Mexico Border
- Emergency and urgent care services
- Sonora Labs, one of the most modern and technologically advanced laboratories in Mexico
- 24/7 /365 Telemedicine available
- Freecross-border Transportation

### AFFORDABLE

- RX discounts
- \$0 unlimited Telemedicine
- Outpatient surgery discounts

# International Medical Solutions

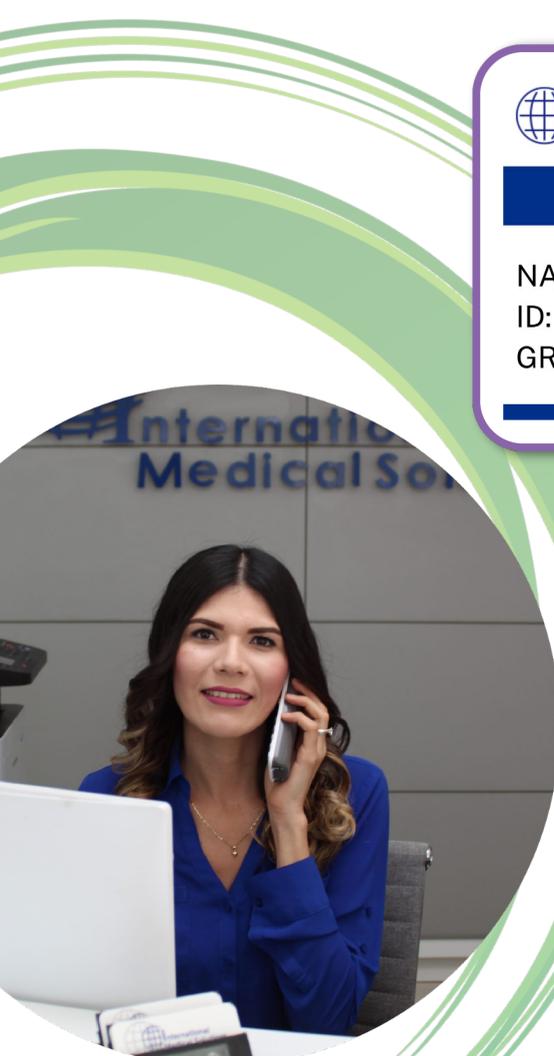

*Administered Arizona Medical Plans*

IMS provides a full range of healthcare services, covering all: medical, pharmacy, laboratory analysis, x-rays, and imaging. Those with chronic diseases (diabetes, hypertension, asthma, fibromyalgia, multiple sclerosis) may qualify for the IMS medication program. Cross-border transportation is available at no cost. 24/7/365 access to virtual care with Spanish speaking physicians is included.

## How to access the IMS Network.

Once coverage is approved, each member will receive an additional IMS specific ID card. Once you receive the IMS ID card, QR codes are available to scan on the front and back of each card. Scan the QR code to access information on:

- Plan Benefits
- Medication Program
- Transportation Program
- Medical Services
- Telemedicine by IMS
- Physician Directory

## International Medical Solutions

Administered by Arizona Medical Plans

A comprehensive health care service plan designed to provide quality healthcare for the growing U.S. workforce, whose preference is to receive their healthcare services in Mexico. IMS works with specialized medical networks along the border. All providers are private and accredited.

### Services Include:

- ✓ Primary Care
- ✓ Emergencies
- ✓ Hospitalization
- ✓ Pharmacy
- ✓ Laboratory Analysis
- ✓ X-Rays & Imaging

### Included Plan Enhancements

#### Telemedicine

IMS and MiDocOnline.com have partnered to deliver a revolutionary benefit tailored to receiving direct primary care virtually from the comfort of your home. 24/7/365 access to care with Spanish speaking physicians.

#### RX Programs

Managing medications for chronic conditions can typically result in high-costs and have complex handling requirements. With our Rx Program, we provide up to a 3-month supply of your brand name medication for your chronic condition at a discounted rate.

#### Physician/Provider Lookup

Easily find a physician or provider by name, location, or specialty using our online network directory.

Visit [www.internationalmedsolutions.com](http://www.internationalmedsolutions.com) to access all plan benefits.
