

## Patient Assurance Program (PAP)

# Pay no more than \$25 for select insulin and diabetes medications

Managing your diabetes shouldn't come with financial stress. That's why EMI Health, in partnership with Express Scripts, offers a program to lower your out-of-pocket costs on many common insulin and diabetes medications.

### HOW IT WORKS

If you're enrolled in a participating EMI Health medical plan, you may qualify for capped pricing. Your cost will be **\$25 or less for a 30-day supply** of covered insulin and diabetes medications.

The savings apply automatically when you fill your prescription at the pharmacy—no forms or extra steps required.

### COVERED DRUGS *(as of January 1, 2025)*

BASAGLAR®	FARXIGA®	HUMALOG®
INSULIN GLARGINE-YFGN	JARDIANCE®	JENTADUETO® XR
LYUMJEV®	OZEMPIC® (added 9/2/25)	SEMGLEE® (YFGN)
